

Graduation Day 2016

Graduation Day is the most awaited moment in a student's life. It's a combination of celebration, farewell and a new beginning. It is warm memories of the past and big dreams of the future. Graduation is the first step on the ladder of success.

St. John Technical Campus held its 4th Graduation ceremony on 19th January 2016. Bishop Emeritus Ignatius Menezes, Diocese of Ajmer presided over the function. Mr. Albert W. D'Souza (Chairman of Aldel Education Trust), Mrs. Elvina D'Souza (Secretary), Dr. S. Krishnamoorthy (Campus Advisor), Mr. Thomas Lobo (Campus Director), Fr. John Rumao (Campus Minister), Dr. Satish Takalikar (Principal of St. John College of Engineering and Technology), Dr. Savita Tauro (Principal of St. John Institute of Pharmacy and Research) and Dr. Anil Kumar Chaudhary (Principal of St. John College of Humanities and Sciences) were the dignitaries on the dais.

The Chairman welcomed the President and addressed the gathering. The President, Advisor and Director motivated the 315 students with their inspirational inputs.

It was a proud moment for St. John as we had two University rankers. Mr. Viral Gala of Civil Engineering who bagged the Gold Medal from the University and Mr. Krishnakumar Yadav of B.Pharm who stood second in the University. The college also felicitated them.

The toppers lead the groups to collect their respective graduation certificates. The St. Johannite family and the parents were proud to see their graduates in black gowns and the graduation caps. One graduate from each Institute (Ms. Cidelle Mascarenhas, Mr. Krishnakumar Yadav, Ms. Shraddha Bhongle), shared the experience and reminiscence of the time spent at St. John. All the Graduates were thrilled to interact with their faculty, mentors and peers. They were also interested to be involved with St. John in future in the form of Alumni. Finally the programme came to an end with the photo sessions which will serve the graduates as one of the everlasting memoirs.
